## Movable Files Storage Systems ( 1 Bays 8 Bodies )

### Model : 1 Bays 8 Bodies HP

SFF - Nos 01 = 1 Bodies Unit

SFM - Nos 01 = 1 Bodies Unit

DFM - Nos 03 = 6 Bodies Unit

This Models is Called 8 Bodies/Cabinet Unit

Note: If extra width and depth are available and your plan includes 1 to 5 bays, the DFM unit can be increased to provide more storage and store more files. If you have additional space, it is strongly recommended to consult before placing the order, take detailed drawings in advance, and confirm all specifications with Topnotch before finalization.
